

## Eva communicates with your constituency...

- Deliver your message to thousands of voters simultaneously and see how long each person listened
- Ask voters their opinion about hot topics such as education spending
- Apprise voters of poll times and ask if they need transportation assistance
- Remind voters to request absentee ballots

**Eva** (Eventuality Virtual Agent) More than a simple notification service, EVA is a voice and text-based messaging service that allows you to communicate with an entire group and receive answers all at the press of a button. Offering two-way communication, EVA will send messages, ask questions, and record answers. She will even find the first person on your list to answer "yes" to a question.

## Benefits

- **Eva Reaches your voters:** Eva *makes* calls and *sends* e-mails to thousands of voters that your staff just doesn't have time for
- **Eva Provides Accountability:** Eva keeps a detailed record of who she reached, by which methods AND how they responded
