

## In fewer than three minutes you can ask Eva to...

- Call a list of employee's one-by-one to find a substitute when an employee calls in sick, doesn't show up or has been fired without having to spend an hour on the phone.
- Ask employees and gather the answers to questions such as: "Did you complete the insurance paperwork?" or "Do you have all of the necessary equipment?"
- Notify employees at remote locations of order changes, schedule changes, and last minute requests AND receive verification that your employee got the message.
- Inform thousands of potential customers about upcoming sales, incentives or discounts AND ask if they'd like to know more.
- Perform "quality of service" surveys by phone and e-mail to ensure your customer ranks you and your business as 10 out of 10.

**Eva** (Eventuality Virtual Agent) More than a simple notification service, EVA is a voice and text-based messaging service that allows you to communicate with an entire group and receive answers all at the press of a button. Offering two-way communication, EVA will send messages, ask questions, and record answers. She will even find the first person on your list to answer "yes" to a question.

## Benefits

- **Eva Makes Money:** Eva can make the calls and send the e-mails to hundreds of customers that you and your sales staff just don't have time for.
- **Eva Saves Money:** Eva costs less than having administrative staff make tedious phone calls and requires no equipment or overhead.
- **Eva Provides Accountability:** Eva keeps a detailed record of who she reached, by which methods AND how they responded.
- **Eva Saves Time:** Eva can deliver a notification or ask a question to thousands of people simultaneously. Eva achieves in minutes what takes a person hours or days to accomplish.
- **Eva Saves Frustration:** Eva delivers a message or asks a question quickly and to the point. She is not obligated to stay on the line with someone who feels like chatting.

## Features

- **Notification:** Eva delivers your message to a group by phone and e-mail.
- **Question:** Eva asks a group your yes/no question and delivers the results to you.
- **Find-First:** Eva calls your contact list one-by-one with a yes/no question. She immediately contacts you after the first person answers "yes".
